Noble School Alipur

Noble Life

Noble School established in the year 2006 to spread the knowledge among rural children with the international facilities in a happy environment at an affordable fee. Since then, we provide equal opportunities to the rural students to achieve more and we ensure that regardless of their personal ability, each one has the opportunity to reach their personal best in their noble life.

Knowledge is Life

Our motto “Knowledge is Life” interprets that knowledge is an essential element for life and our qualified and experienced staff are responsible in producing a noble life based on knowledge and knowledge useful for life. Indeed we make sure that learning becomes an integral part of living and for us “Learning is living.”

The Noble School is the first and the largest CBSE school in the taluk and top in the district. In its youthful journey so far, our students have participated and bagged prizes at International, National, Regional, State, District, Taluk and Cluster Level competitions in both Academics and Sports. We take immense satisfaction in our strong alumni of learned professionals.

“Seek Knowledge from cradle to grave”
- Holy Prophet (s)

Learning Environment for Lifelong Learning

Classrooms:

Noble School has standard sized, bright lighted, cross ventilated classrooms with tailor-made well designed suitable furniture to all the age group of the students.

Hygiene and quality are absolute priorities and the food at Noble School is fresh, wholesome, nutritious and plentiful.

“If we want to reach real peace in this world,
we should start educating children ”
- Mahatma Gandhi

“Tomorrow belongs to those who prepare it today,” - Malcom X

Digital Records:

All students and teachers records are digitalized for better management. An comprehensive ERP software is installed to process the data, records, and accounts management.

Safety:

In a school set-up providing safety and security to students becomes the bounden duty of the school administration since the parents have entrusted their children in to the custody of the school. CCTV Cameras are installed all around the campus. A pucca boundary wall with round the clock security personnel mans the gates. Parents and visitors are directed to reception. Safety training are given by experts to staff and senior students.

SMS Facility:

School has introduced SMS facility to parents to alert and update them about their child's Absenteeism, Punctuality, Hygiene, Homework, Events, Reminders, Notes, Thoughts, Information, etc., as one of the means of timely communication.

Photocopy/Printing & Stationery:

To cater day to day needs of the students, school provides this facility in admin.

Curriculum

Noble School follows the NCERT based curriculum. Our vision is to create a lifelong learner, hence we desire all children to:

- Experience a broad and balanced NCERT curriculum as per National Curriculum Framework and National Education Policy.
- Develop lively enquiring minds and a love of learning.
- Have high self esteem.
- Work with independence.
- Value and care for others.
- Be successful and have their achievements celebrated.
- Feel safe.
- Care for the environment.
- Be self-disciplined and courteous.
- Develop courage to stand for the rights.
- Become noble citizens.

We provide universal education system with holistic development - intellectually, socially, emotionally, morally, spiritually, culturally and physically.

“When learning is purposeful,
creativity blossoms” - Dr. APJ Kalaam

Noble School is affiliated to CBSE, because

- A student-friendly, student-centered, interactive focus.
- A balanced breadth of academic coverage; neither does it overburden the student, nor it is superficial.
- Develops holistic individuals through co-scholastic school based evaluation
- Constant, innovative review of the syllabus to ensure it is contemporary and meaningful, with due importance being placed on skill-based, job-oriented and job-linked inputs.
- Instills values through an integrated curricular approach
- Innovations in teaching-learning methodologies by devising students friendly and students centered paradigms
- Updating of teachers' skills constantly through workshops and training programs.
- Reforms in examinations and evaluation practices
- Regular monitoring by the CBSE Board, thereby ensuring that its academic standards and educational philosophy are being met.

Preschool

An integrated approach is followed in Noble Preschool, taking the best from Montessori, Kindergarten and Nursery methods of teaching. The Foundation stage describes the phase of education from age three to Six years in three classes Nursery, LKG, and UKG.

The curriculum and activities in the preschool is organized into holistic learning: Personal, social and emotional development; Communication and language development; Mathematical development; Knowledge and understanding of the world; Physical development; and Creative development.

Students of preschool enjoy:

- A complete system of daily, weekly, monthly and yearly learning levels and activities.
- Well ventilated spacious classrooms with comfortable colourful furniture
- Sensory activities in Montessori Lab
- Phonetics in English Lab
- Exclusive Play-pen area
- Theme work
- Circle Time
- Audio Visual hour (Digi School)
- Indoor Activities in rumpus room
- Art & Craft Classes
- Dramatic play, Storytelling, Puppet Show, Music, etc.
- Outdoor Activities and Aerobics
- Field trips and picnics
- Moral Education
- Time to time activities and competitions on Rhymes, Drawing, Colouring, Crafting, Handwriting,
- Science, Cultural, Sports that give opportunity to every child to participate and display his/her hidden talents.

Yet, to a beautiful mind we offer a plenty of stimuli to explore the world. Parents are invited to witness how well their children are evolving and developing in a home away home.

Primary School

Class I & II: Our Lower Primary Section introduces children to the excitement and challenges of independent learning. We try to involve and stimulate all the nine intelligences. So each concept is taught using experiential learning (field trips), audio-visual aids (Digi School) as well as storytelling and enacting, to make it more exciting. We ensure that every child in primary section meets the minimum level of learning and they are supported with hands on scholastic and co-scholastic activities.

Class III to V: The age group in upper primary years is amazing with their curios and inquiring minds from where they start 'reading to learn'. In these years we develop them in independent learning through assignments and project along with activities, discussions, debates and creative thinking and practical approach wherein each child will find its identity, meaning and purpose in life through connections to the world around.

Class VI to VIII: During the middle school years the children become adolescents. The school recognizes that the students undergo a rapid physical growth at varying rates. The educational program caters to all areas of development of the adolescent children in a separate block (R1).

The instructional and learning program at this level helps to develop self study skills by assigning project works and other research reports, concepts are taught with depth and clarity by experienced teachers, competitive competencies are focused through participation in various events and competitions, Hobbies and team spirit are encouraged through club and house participation, academics and extracurricular activities are given special attention by monitoring and mentoring.

Secondary School

Class IX & X: As the secondary students move into the final years of their schooling, we ensure that they are guided, engaged and motivated in a more adult-oriented manner. Teaching techniques become more comprehensive. Assignments demand more involvement and independent thinking.

The knowledge and experience of the teachers ensures that each learner receives personal attention and academic guidance to reach his goal with his/her personal best. They are assisted to handle stress and teenage-related challenges. They also made to realize that they have to make choices. Study Skills, Career guidance, Value Education and personality development workshops are conducted by the experts throughout the year.

Co-Scholastic

We believe in exploring hidden talents of the children. Apart from general routine, there is always something happening at Noble School. Inter-Class, Inter-House and Inter-School Competitions are held regularly in Olympiads, Elocution, Quiz, Debate, Essay, Story & Poetry writing, Handwriting, Spelling, Painting, Drawing, Drama, Dance, Singing, Trekking, Swimming, Cycling, Games, Sports, Athletic Meet and many more. In addition, Noble School students actively participate in Taluk, District, State, National and International level events, exams and competitions and walks away with good number of prizes.

School Events are judiciously timed to reinforce the concepts of learning in the secular and diverse principles of our rich heritage. Special Assemblies are conducted on special days of state, national and international significance and UNO declared days of special observance. Noble Calendar is provided to the students every year.

House System:

In order to develop healthy competition, team-spirit and co-operation, the school is divided into five houses named based on the values we instill among the students: Naïve, Serene, Adore, Revere, Victore. Activities conducted to refresh students, build confidence, explore possibilities, develop talents, ignite interest, chisel fitness, polish concepts, enhance team work and to prepare students for competitions.

External Competitions:

School has subscribed to some well known standard national and international competitions in subject-wise Olympiad, Quiz, Spelling, Arts, Sports, etc. which takes place on dates and in a place specified by the organizers. Participation in any of such competitions is voluntary at the fee prescribed by the organisers.

Counseling:

A trained counselor is available in the school; students can approach him in afternoon sessions. However every teacher in our school is a counselor. Strict confidentiality is maintained. Workshops and Talks on Exam Stress, Study Skills, Time Management, Life Skills,... are conducted time to time.

Personality Development:

Time to time special programs and workshops are conducted by specialists from various backgrounds to students and teachers. Students from Class IX to X will be given career counseling and Guidance by the Principal as well as resource persons in the field.

Excursion Trips:

To make our students to understand theory better, we take them to Science exhibitions, Field Trips, Picnic, Nature trips, Planetariums, Museums, Historical places, Botanical gardens, Amusement Parks, Hill Stations, and other interesting spots.

“The end-product of education should be a free creative person.” - Dr. S Radhakrishnan

Weekend Classes:

Weekend Classes of Urdu, Deeniyath and Quran will be conducted for the minority students of Class V to X on Saturdays between 12 to 2pm. Concerned parents are requested to ensure their pupil's attendance.

Noble Talents:

The annual school magazine celebrates the talents of the students throughout the year. It is the chronicle of all events, programs and activities of the academic year. It also brings out the finest art, literature and information brought by the NOBLES. The Magazine is released on Annual Day of the school.

Parents-Teachers Conferences

We desire all Parents to feel welcomed in school and work in partnership with teachers and school. Parents must be well informed about their child and school and may offer constructive advice to the administration.

Regular meetings are conducted between parents and teachers, these along with terminal assessment reports ensure that each pupil's progress is closely monitored. A counselling and parental care workshop is conducted to parents. Principal is available for meeting between 3:00 to 4:00 pm on all working days for any matter pertaining to the pupil.

School Timing:

	Monday to Friday	Saturday
Nursery & LKG:	9:00 to 12:40	9:00 to 11:40
UKG, Class I & II:	9:00 to 15:20	9:00 to 11:50
Class III to X	9:00 to 16:00	9:00 to 12:00

“ Knowledge enlivens the soul ”
- Imam Ali (A)

Faculty

The school has a vibrant team of dedicated, well trained, qualified and experienced teachers who share profound belief in power of knowledge and noble characters. Our teachers display a wide range of skills and abilities that lead to creating a learning environment where all students feel comfortable and are sure that they can succeed both academically and personally. They are approachable and ensure intellectual, emotional and physical well being of all the students. They upgrade their pedagogical skills through teacher enrichment programmes organized by the school, training institute and CBSE. The teachers are led by the core team consisting of Principal, Vice Principal, Head Master/Mistress, Academic Coordinators/Supervisors, Head of Departments, Teachers Welfare Coordinator, Different Committees – Safety and Security, Discipline and Ethical, Class Teachers and Subject Teachers. This is to ensure the professional growth of our teachers who are invaluable to us and to the society at large.

Fee

Our fee structure is unbelievable! It is to fulfill our dream of opening the door of knowledge to our fellow rural population to afford urban level of quality education with international level of infrastructure and facilities.

God loves Nobility,
let us become Noble
